

DIRECTIONS FROM  
SAN FRANCISCO & SAN JOSE AIRPORTS  
TO THE  
NAVAL POSTGRADUATE SCHOOL

Driving Distances:

San Francisco airport to Monterey – approximately 106 miles

San Jose airport to Monterey - approximately 76 miles

From both airports:

- Take Highway 101 South
- At the town of Prunedale, take the Highway 156 exit to “Monterey Peninsula”. (Highway 156 is about 4 miles long and Prunedale is only 17 miles from Monterey).
- Highway 156 will end and merge onto Highway 1 South into Monterey.

The easiest exit is at Del Monte Avenue (see Monterey map). You will be within a couple of blocks of the Naval Postgraduate School, surrounded by a new iron fence and a small lake in view on the left. Make a left turn at the traffic signal into the NPS gate from Del Monte Ave.

Upon entering the Naval Postgraduate School’s main gate, follow the directions in the NPS Campus map to the Billeting Front Desk at Herrmann Hall and enclave. A “Welcome Packet” will be available at the Billeting Front Desk for you containing an enclave parking permit along with information on “What to do” in the area.
